Zenith Volume 59

Dr. Lucht

A liberal arts education is a most valuable resource for an individual living in an increasingly complex and ever-changing world. The ability to generate ideas; to put ideas together to form judgments; to plan projects; to inform, persuade, entertain, and stimulate others; to transmit ideas effectively; to achieve accuracy and precision; to appreciate the beautiful — these are the characteristics of a person educated in the liberal arts and the hallmarks of a truly practical education.

As valuable as such an education is, however, here at High Point College you have received something of even more value. For you have been exposed to Christian values in your education which will continue to strengthen and guide you in the coming years. As you seek

rewarding future. You have received an excellent education from a faculty and staff who are committed to a liberal arts preparation guided by Christian principles. They have nurtured you and pushed you forward — their greatest satisfaction has come from watching you become better prepared to meet the challenges ahead. They join me in hoping that, as questions are posed along the way, your education will help provide you with the answers.

I urge the current undergraduates to help High Point College become the finest, church related liberal arts college in the Southeastern United States. You can do this not only by continuing your progress in your academic program, but also by becoming more involved in campus organizations and activities.

your personal goals in your careers, in your family life, in your community involvements, and, indeed, in all your relationships with others, you will find that you are well-prepared not only to earn a living within your chosen vocational area but to live a more complete and satisfying life.

To the graduates of High Point College, I offer my best wishes for a worthwhile and

You will find that this will not only help the College become the best it can be, but also will help each of you become a more mature and better educated person.

I would like to extend my warmest wishes and support to both the 1983 graduates and the undergraduates as each of you seeks to fulfill your dream. God bless you all.

Charles R. Lucht

Reaching For The Zenith

Climbing, searching, struggling, learning, experiencing — reaching for your personal zenith. The zenith, the ultimate destiny in life, is solely a personal choice. Although our pathways to zenith are quite different, we all, in essence, experience the same emotions while walking the rugged road. Fear of the unknown, unstable from the unexpected, and insecure about the future are all aspects of achieving our goals. While moving into the future one step at a time, we must not forget those, perhaps far away, who play an important part in reaching our zenith. We cannot often take loved ones with us, yet we can always carry with us their moral support.

The pathway will be rugged with

many up and downhill slopes. Despite the many obstacles, we must never lose sight of that special rewarding goal we hope to achieve. Through patience and determination you can reach your zenith. As someone once said, "anything worth having is never easy to obtain." May we all work together with understanding and persistence as we struggle, reaching for the zenith.

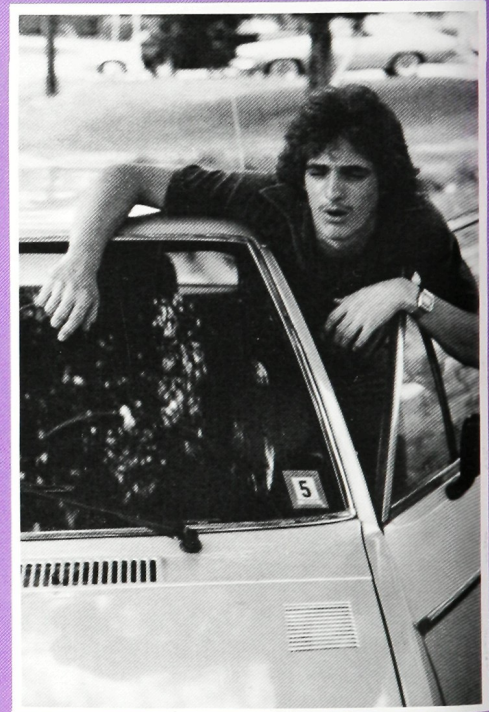

Freshmen . . .

The scene of unfamiliar faces, out-of-state license plates, boxes and suitcases made for the usual mass confusion. The grounds were filled with anxious newcomers who, after registering, became the official High Point College freshmen for the 1982-83 year. The first few days were filled with meeting new people, adjusting to a new home, being hussled from one place to another, and trying to cope with the complexities of college life.

The orientation beach party, watermelon cutting, freshmen dance and other activities helped to break the ice. It was a perfect way to make friends and slowly plant both feet firmly on the ground for the new year ahead.

As the days progressed, there was the registering for classes, running from orientation meeting to orientation meeting, and the many trips to the mail box only to find "air mail".

But, they made it. They are well on their way in their college careers. The Class of '86 has arrived!

left: Beth, Ellen, Roy, Claire, and Kelly add some of their own fun to the beach party held by Orientation Big Brothers and Sisters.

We Have Arrived

Building For The Future

The roar of the bulldozers and sounds of machinery filled the air as construction began on the new library. Freshmen living in Women's Residence Hall started each day with the construction sounds floating in their windows. Throughout the day, students and faculty knew progress was being made as completion of the Herman H. and Louise M. Smith Library drew near.

The library being built in the style of Roberts Hall will increase the space of Wrenn Memorial Library and will increase the accessibility of the volumes. Since students will have better access to the volumes, they will be able to increase their knowledge and build their futures. The completion date for the library is expected for the spring of 1985.

The Year The Bells Tolled

The silence of the campus was broken by sounds of students returning for the fall semester and the chiming of the hour. Once again, after several years of silence, the chimes were operating. Some students found the chimes helpful in keeping track of time, while others found them annoying when trying to study or sleep. Twice a day the chimes entertained students and faculty with mini-concerts of easy-listening music. With the return of the chimes, the 1982-83 academic year was known as the year the bells tolled.

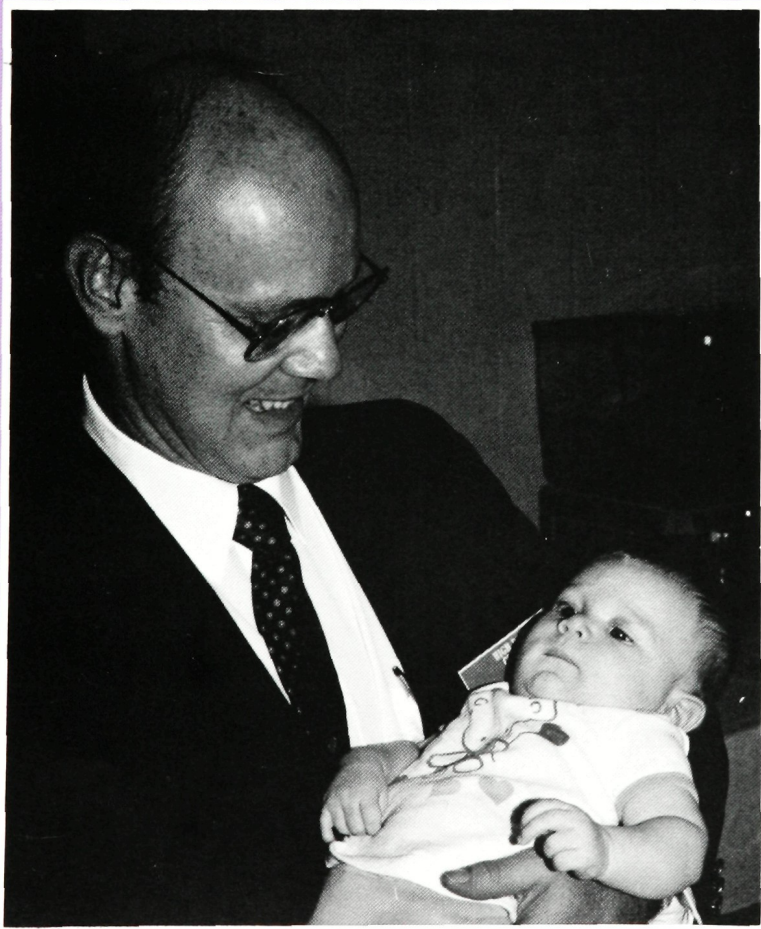

Searching, Aiming, Reaching . . .

GOAL/'gol/1. aim, purpose
2. an area or object toward which play is directed in order to score.

Here at High Point College we are setting our goals; our goals for the future. In setting our goals we may strive to attain athletic excellence . . . the thrill of victory, the anguish of defeat. We may reach out for a future in family life. To assume a role as parent; provider. We may set out goals to succeed while in school. To be a campus leader so we may assume a leadership position. We may look to this as our opportunity for our future as a potential leader. High Point College stresses a "quality education with a personal touch." Part of that "personal touch" is influenced by the presence of High Point's Christian foundation.

We strive for a closer and more meaningful relationship with God through the church.

Mostly, we here at High Point College share a central goal . . . to strive for success in a career. To hold a job that provides self satisfaction, economic means and security in a career future. So, as we reach for the Zenith let us begin our climb with the many goals that we set along the years spent at High Point College.

Bored With The Books?

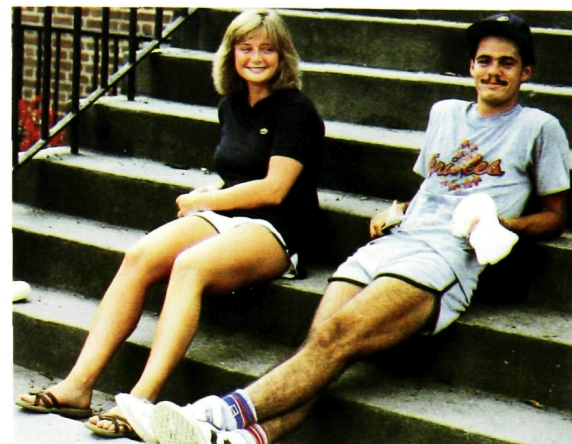

Study break — one of the most appealing phrases in a college student's vocabulary. HPC students seem to have little difficulty finding ways out of the sometimes grueling academic routine. Sleeping, sunbathing, and watching the soaps are great ways to occupy the afternoon hours. Frisbee is always a favorite pastime, along with playing Uno, playing backgammon, or just playing hookey. Even the most serious scholars occasionally throw down their pens, close their books, and say to themselves, "What's one more all-nighter? I need a break!"

Top: Kathy Schaefer takes some timeout from studying to call someone to let them know that she's thinking of them.

Far Right: What better way to relax and release some tension than to get some friends together for a quick game.

Below: Carlene Dix and Kelly Brisentine challenge each other at a game of UNO.

Left: Diane Lynk nonchalantly stands at the water fountain and patiently waits while her glass fills.

Above: Something suspicious is going on as Judy's grin and Kevin's smirk reveals.

Below: Anna, Leslie, LuAnn, Pat, Jill and Sharon get together to talk over some daily gossip and much on popcorn.

HPC Scholars Heighten Their Horizons

"A Quality Education With A Personal Touch"

A flash, a click, a precious moment in time has been captured through the lens of a camera. Moments of intense studies have been transformed into a still life. As students work toward a Bachelor of Science or Bachelor of Arts degree to reach their destiny in life, the students at High Point College grow intellec-

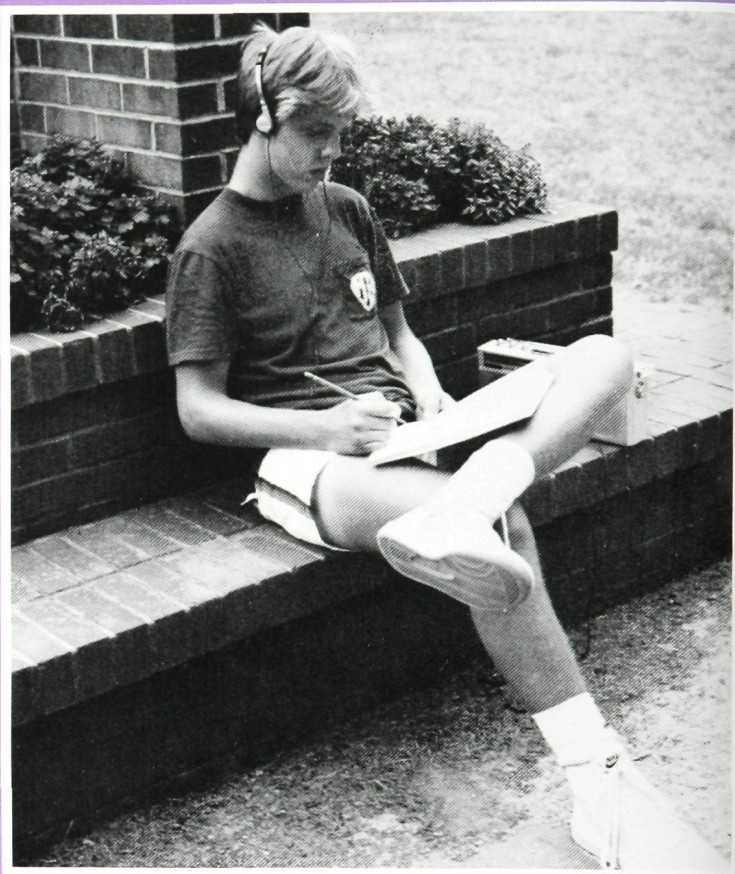

tually and emotionally. The responsibility of the academic life at HPC causes the student to become more self-reliant and responsible. As a result "a quality education with a personal touch," has enlightened and taught the mind to question the ideas and ideals of life as one reaches for the acme of life.

Above: Students found comfort in struggling with the books by holding on to "teddy."

Upper Right: Andy Bonar found the only way to study was by plugging in the tunes.

Bottom right: An "A" paper always brings a bright smile.

Upper left: Senior Bill Johnson studies in a favorable atmosphere which puts the mind at ease.

Above: With books, notes and dictionary in hand, Kelley Lambert tackles another french assignment.

Middle left: Teddy takes over the heavy work load.

Bottom Left: Dr. Holt and Art Prillaman discuss May graduation.

High Point College

High Point College, founded in 1924 by a predecessor of the Methodist Church has changed through the past 59 years, not only physically but academically as well. When the doors opened in 1924, only 122 students were enrolled. For the 1982-1983 academic year the enrollment exceeded 1,000. The first and second years of the college, college courses were offered as well as 10th and 11th grade high school courses. In the second year the junior class was added and the 10th grade discontinued. In the third year of existence High Point officially became a college.

The physical aspect of High Point College has changed extensively since 1924. The original campus consisted of three buildings and has expanded to 17. In 1924, Roberts Hall, the main administration building was completed. It contained not only administrative offices but the cafeteria as well. The original campus consisted only of Roberts Hall, Women's dormitory and McCulloch dormitory. Harrison Hall was added in 1933, and M.J. Wrenn Memorial Library in 1937. Wesley dormitory, an addition to Women's was added in 1953. The HOrace S. Haworth Hall of Science expanded the campus in 1962. Yadkin, North and Millis dormitories were added in 1964. Mary Irwin Belk dormitory was added in 1968. The newest addition to the HPC campus was the Holt McPherson Campus Center, completed in 1972.

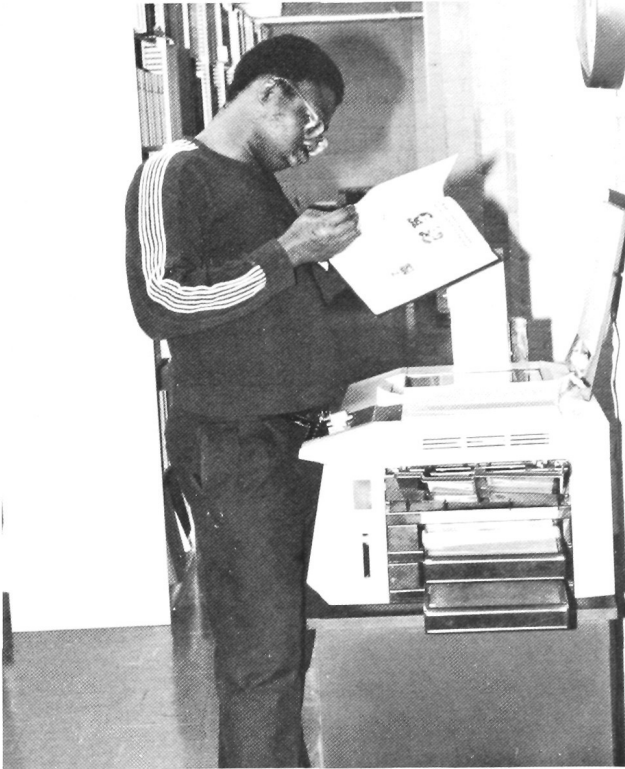

Plans for a new college in N.C. actually began in 1893. In 1920, three cities, High Point, Greensboro and Burlington submitted bids as to where the college would be built. High Point offered 60 acres and \$1,000,000. In 1921 High Point's offer was accepted by the Board of Education's Conference Committee. A Board of Trustees was selected and in 1922 plans for the college buildings were selected.

Changes in administration and faculty have been numerous through the years. HPC started with only a few faculty members and students and has grown into one of the finest church related liberal arts colleges in the South offering degrees in 32 major areas.

The Net Is Our Goal

Coach Gibson Felt Team "Most Talented" In Years.

The High Point College soccer team worked hard this year to make their team the best and the chances were high for a good season. Although the Panthers lost their leading scorer Jeff Sloan, there was still a lot of good talent left. Team coach Woody Gibson picked up eight well skilled freshmen this year. Senior Rick Klier, goal keeper for three

years, was voted All-American his junior year. He was also the best goally in North Carolina and has had nineteen shut-outs in his three year career. Three year starter Pepe Perone placed twenty-sixth in the district last year. All in all coach Gibson felt his team was the best and most talented in years.

Far left: Ian Lewis makes his move on the opponent as Bobby Rapp comes from behind for support.

Middle Left: There is no way that Randy Hechler will let this guy have the ball. Stu Shilling and Pepe Perrone keep a close eye out on the action.

Panthers Shoot To The Hoop

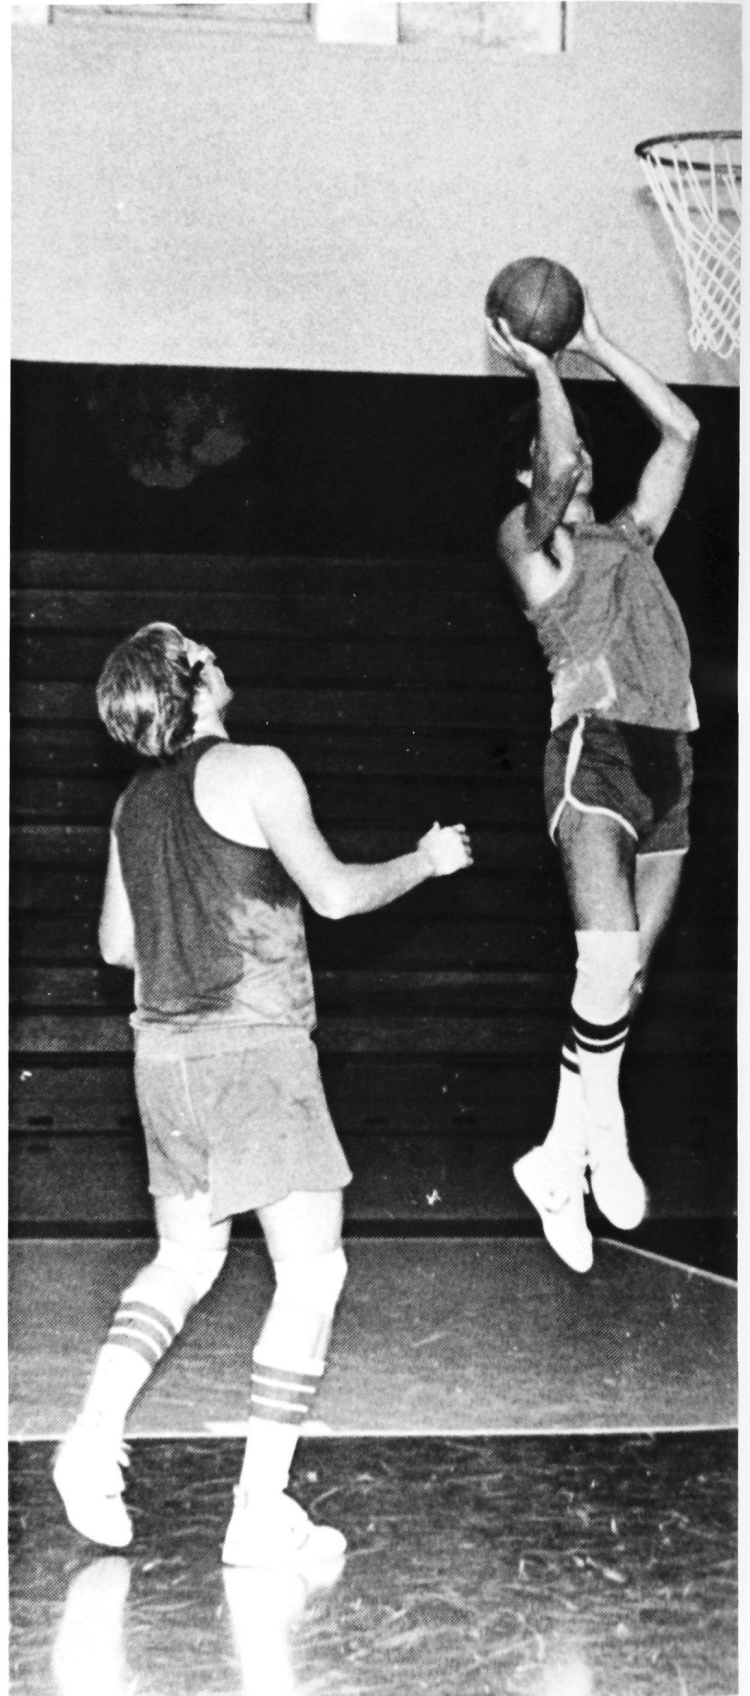

Injuries Played A Major Role This Season

Men's basketball, at the beginning of the season, was filled with many injuries. Some of the main players and seniors were not able to participate due to the injuries. Coach Steele worked with the players and the season slowly got off to a good start.

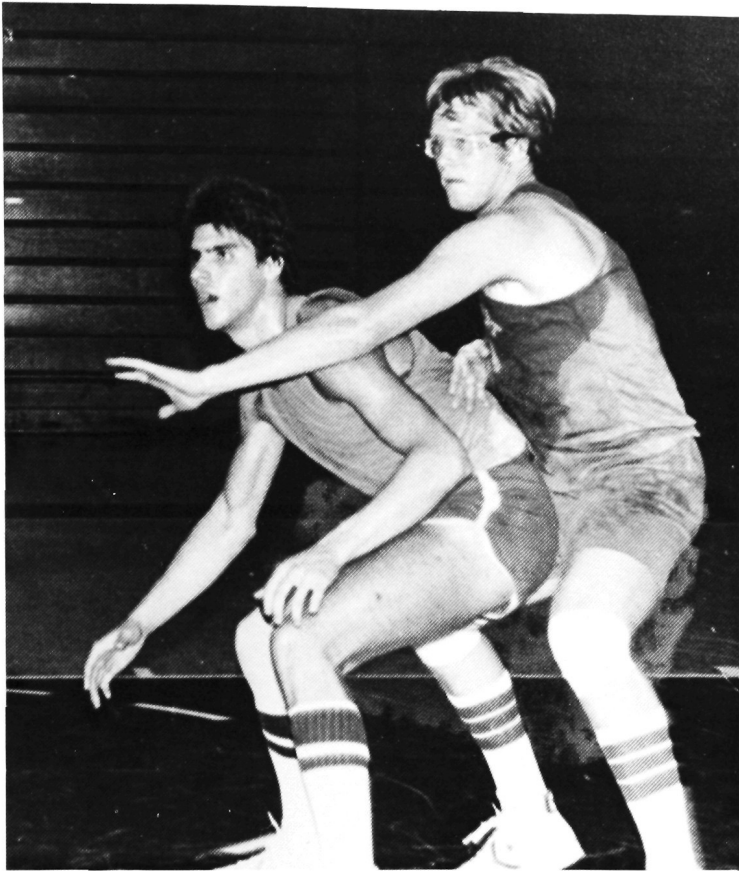

Two freshmen, Terry Samuels and Jim Hoffman, were an addition to the team this year. Emphasis was put on practice and good team work. Coach Steele felt that the team had really come a long way from the beginning of the season.

The women's basketball team has had its ups and downs for the past few years. But was definitely on an upswing this year. The Lady Panthers lead by coach Nancy Little were in good shape this year. In her fourth year at High Point College, Nancy Little had shown great interest in her players. Coach Little analyzed ball handling and added to the back court. The bulk of the team returned. The competition this year was tough but the Panthers held out to provide everyone with a great season.

Fourth year coach Nancy Little.

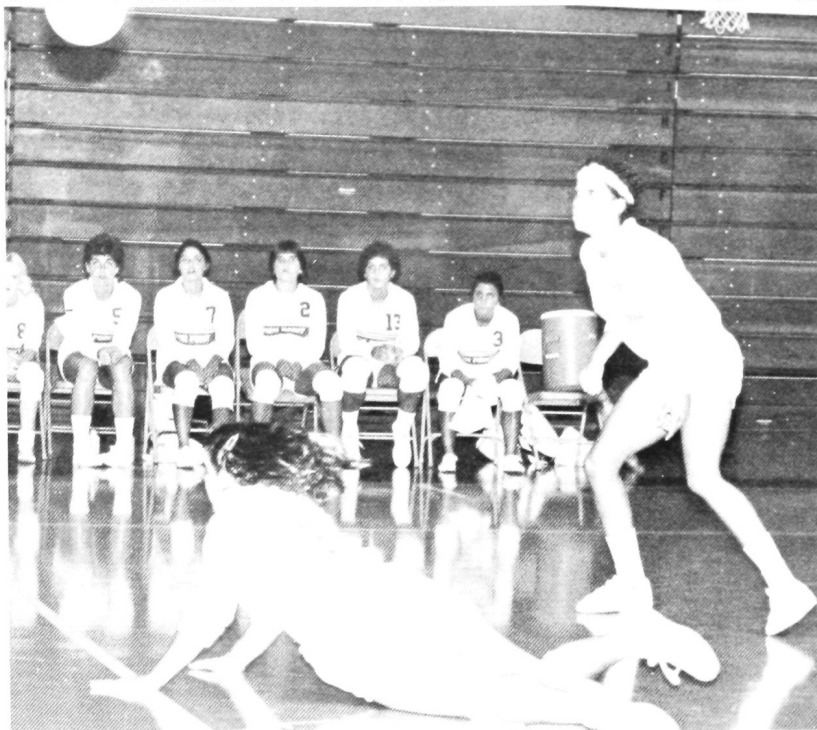

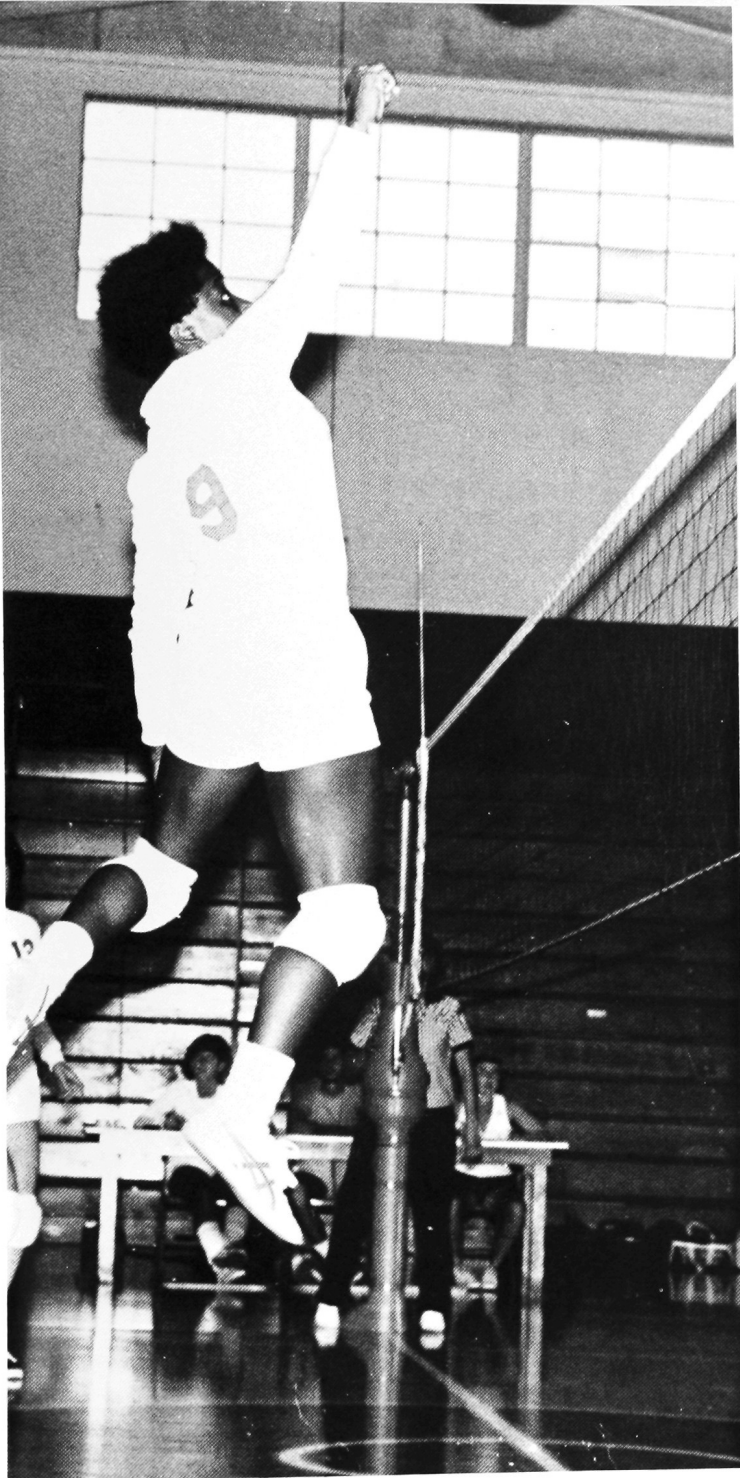

Serving Up Wins

The High Point College Volleyball team provided a good season this year, just as they did last year. The team was well organized with some experienced players. The lady Panthers were coached by Nancy Little who expected the talent of her team to show this year. The team was very enthusiastic and performed well. Congratulations girls on a very outstanding season.

Lady Panthers Stick Together

Coach Steele Pleased With Team

The lady Panthers played extremely well in field hockey. They experienced a very fine year under head coach Kitty Steele. This year the Panther Hockey team gained more depth than last year with the

addition of eleven new players, eight of which were freshmen. The team was headed up by Senior Helen O'Brien. Coach Steele was well pleased with her team and expects a successful season again next year.

Womens Tennis

The High Point College women's tennis team, coached by Mrs. Kitty Steele, had a most challenging year. They ended last year in fourth place in the Nationals. Everyone returned except one player. The team will lose Helen O'Brien, the only senior. Mrs. Steele had high hopes to go to Nationals again. The lady Panther netters added several newcomers who added to the depth of the team.

Mens Tennis

For nearly a decade, the men's tennis team has dominated small college play in the region. The High Point College men's tennis team coached by Dr. Charles Futrell was very strong again this year. With most of last year's team returning and some highly skilled newcomers the High Point College team seemed to continue its winning ways. The competition was stiff this year especially Atlantic Christian Senior Jim Holleran led off the team in the number one spot. He was closely followed by Pekka Makela, Sami Narhi, Griff Thompson, Greg Fox, Client Osborne and Mark White. The team was looking forward to a challenging year.

Teeing Off To The Golf Season

The High Point College Golf team returned with high expectations for a good season. Coach Woody Gibson felt the Panthers had a good chance this season with returning player Buddy Sass, who was all conference last year and was looking forward to a great game this year. Also returning was Junior, Ted Barnhardt who had improved a great deal since last year; and Senior Jeff Zivic. Coach Gibson picked up freshman Matt Kohn who had the potential to be a real asset to the team. The team was looking forward to a great season.

On Your Mark, Get Set, Go

The running panthers looked forward to a great season. The High Point College track team coached by Bob Davidson finished two in the last conference and second in the district. The looked to run by the top contender for the conference and district championships this year. Seniors included John Richardson, javlin; Ralph Barnes, triple jump and long jump; Jeff Norris, miler; and Mike Duffy, half-miler and mile relay. Last year the team honored Jeff Doerr, high hurdler with the most valuable player award. The competition this year was tough but coach Davidson felt the team performed to its fullest potential. The running events proved to be very strong this year and the runners were destined to beat lasts years records.

It takes someone very special to be a cheerleader! They have that special spirit and enthusiasm that brings out the roar of the crowd. They enthusiastically lead chants and cheers with voices full of Panther Spirit. It is our own High Point College cheerleaders that bring the crowd to their feet at every ballgame. This year, with the addition four male cheerleaders, the cheerleaders have left the sidelines and taken to the midcourt to execute elaborate mounts and gymnastic pyramids. This year's squad has brought much spirit and pride to the Panthers. From us the Panther fans — We thank you for a job very well done.

Almost every afternoon the athletic fields or the old gym or even the bowling alley is crowded with the spirit of competition. Intramurals provide the opportunity for athletic competition at its best. Although all the participants are not skilled each player has the desire to win, to strive for greatest participation and obtain team pride. Each team is unique in its mixture of talents and personalities. Teams vary in size and amount of determination. Ultimate frisbee, softball, volleyball, soccer, basketball and bowling provide playoff competitions throughout the year. From the second week in September to the end of the year, interfraternity and independent teams rival for the title of each sport. The challenge exists for each player to reach his potential. The thrill of victory was experienced early in the year by the Theta Chi's who won the championships in Ultimate frisbee and the Theta Chis who were the Softball champions in Fall intramural games. left: Chip Fleming comes to bat for the Theta Chis.

High Point College Community Television

After its initial beginning in spring 1982, High Point College Community Television aired its first one-hour credit course over Cablevision, Channel 19, for fall, 1983. Course instructor was Dr. Earl Crow. Each one-half program (total of twelve) aired four times each week. Taping was completed in August, 1982, and editing completed during the semester by Carol Rogers through courtesy of WMFR-TV, Channel 2, Greensboro, and WXII-TV, Channel 12, Winston-Salem.

In addition to this weekly programming, the TV Studio in Cooke Hall was used for the Practicum. Students taped for experience the High Point Community Theatre production of "Grease," the beginning College convocation speaker, Dr. Nicholas Goncharoff, and various speakers on campus.

The studio also taped the audiovisual reports for English 140, Introduction to Mass Media (28 reports), and some interview reports for Business Administration 351, Administrative Communications.

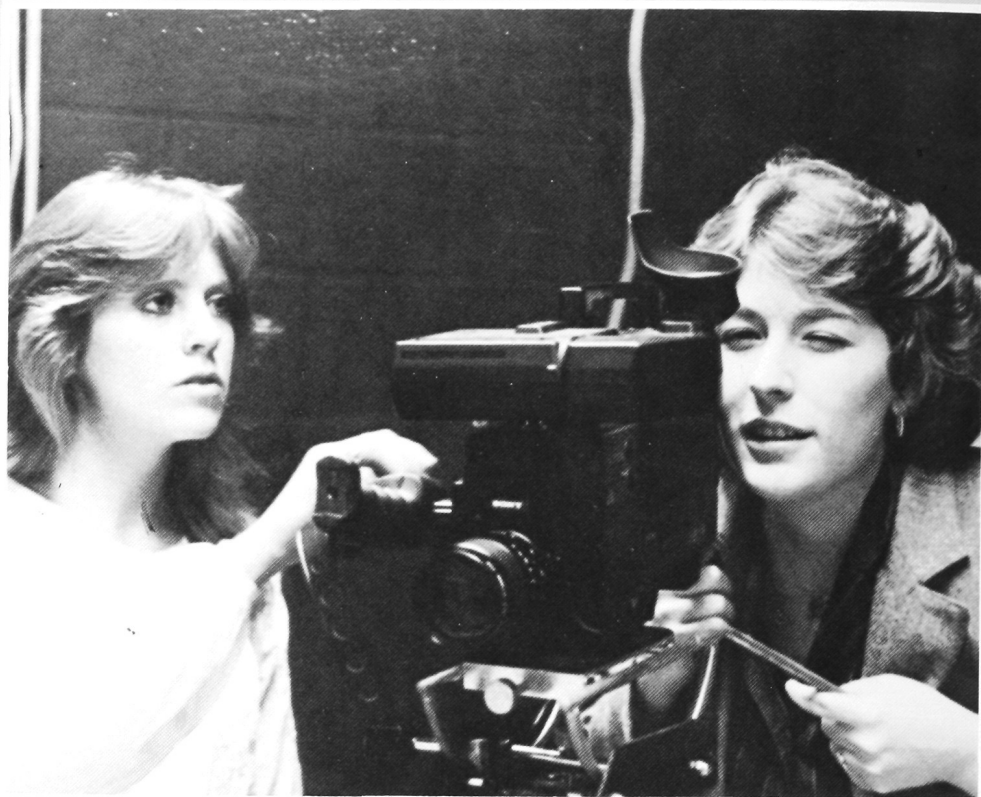

Further expansion of the SCIP Internship program outside the High Point area at Channel 2, Channel 12, and Channel 48 TV will allow further access to editing equipment and personnel direction.

High Point College Community TV was made possible by grant donations from Mobil Oil, Cablevision of High Point, WGHP-TV (Channel 8), and the High Point College Rawley Fund.

The addition of a new Compugraphic phototypesetter now allows the station and other campus publications to prepare camera ready printed advertisements for any programming.

In the spring, 1983, students in English 354, Broadcast Production, produced original programming for airing, a continuation of the Religion 83, 84, 85 course series.

Students enrolled in the TV Practicum for fall, 1982, included: Gina Cardone, Renee Heath, Kim Higgins, Laura Knouse, Teri Livingston, Jane MacCannell (Station Director), David Martin, Charles Messick, Jerry Min, Cindy Mize, Carol Rogers (film editor), Bill Sledge, and Tony Watson.

Continuing Adult Education Program

The CAEP Program began five years ago to allow full-time working adults to complete a college education. Many adults return to college for job advancement, for career improvement, for completion of a degree, or for personal development. The program has an enrollment of approximately 450. The night program offers all regular college courses on Monday, Tuesday and Thursday evenings on the HPC campus and at two locations in Winston-Salem: RJ Reynolds and PAEDA (Piedmont Area Evening Degree Association), an association of twenty four Winston-Salem area companies.

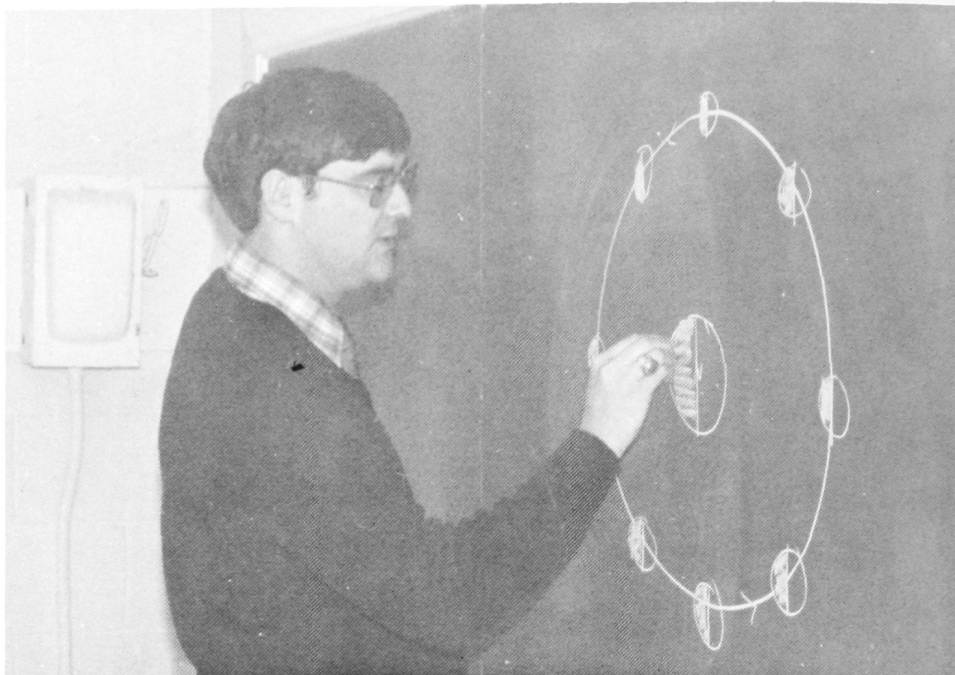

Because of the phenomenal growth of the program, the graduating class this year at HPC will be the largest ever in the history of the college. Most CAEP students will graduate with a degree in Business Administration, but Communications is the second largest major area of interest, followed by Sociology, Psychology, and Managerial Psychology.

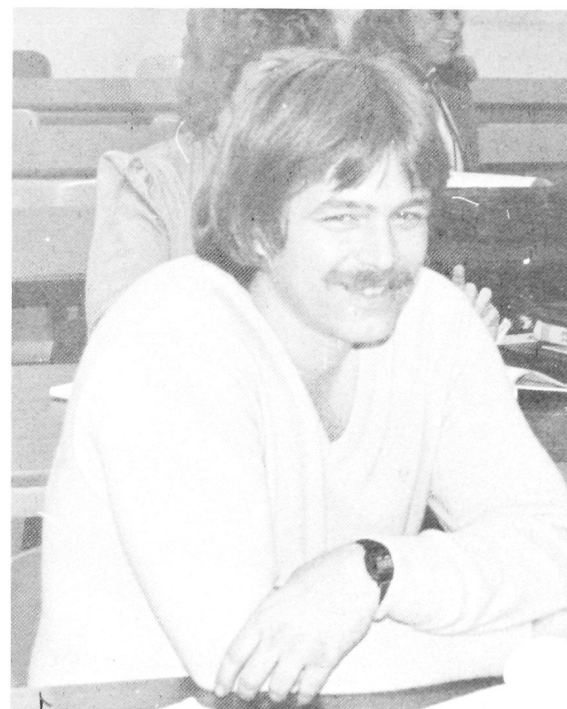

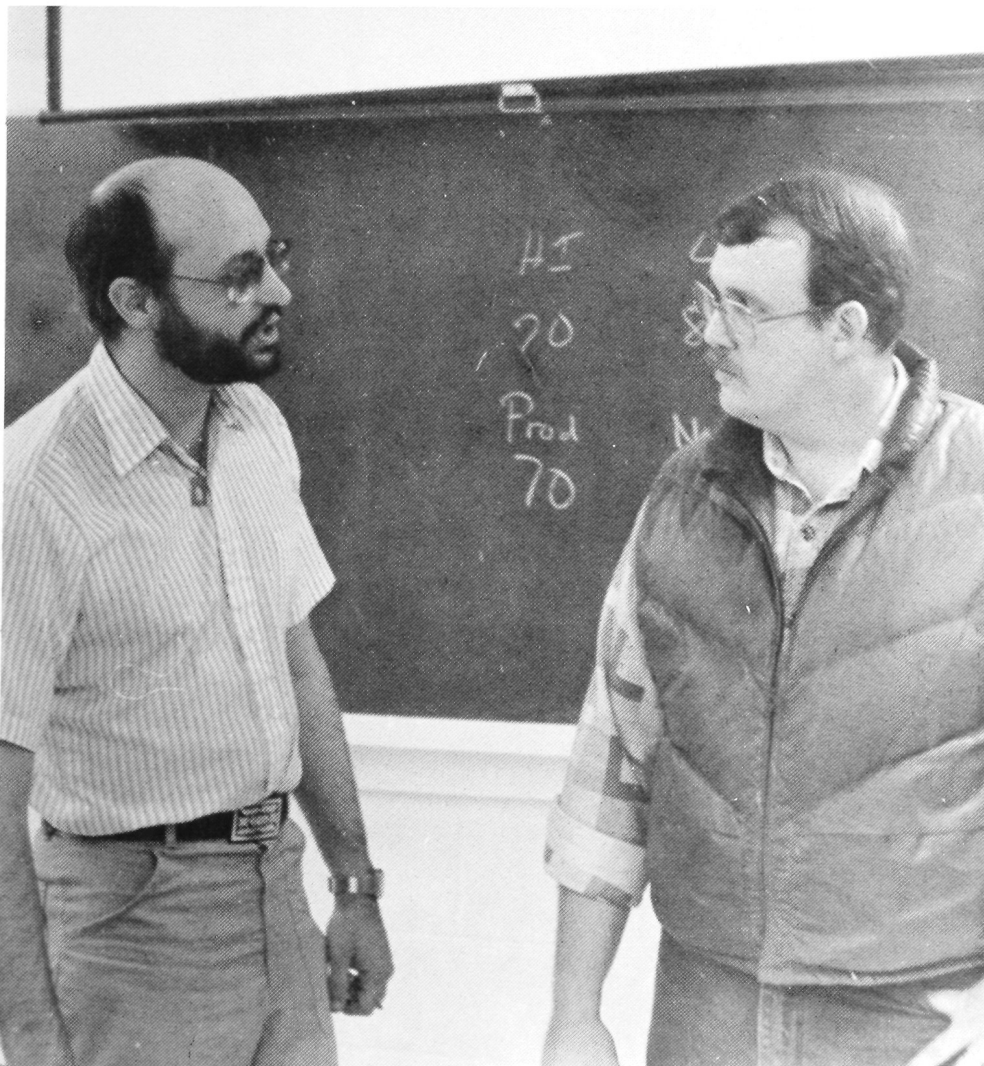

Area businesses often cooperate with full-time employees by reimbursing students for some of the costs of tuition.

CAEP students are now becoming involved in activities of the college. They will be serving as Junior Marshals, have contributed to the *HIPO* and offer invaluable assistance to undergraduates for job placement.

In 1928 Delta Alpha Epsilon was formed as a local fraternity at High Point College. In 1952, Delta Alpha Epsilon made its first contact with Lambda Chi Alpha national fraternity. May 9, 1953, it was initiated as a colony of Lambda Chi Alpha by the ritual team from the University of Tennessee. Mr. Mitchum of High Point College English Department was

instrumental and Dr. Perry's speech, "Past and Future", highlighted the ceremony at the Sheraton Hotel in High Point. Membership boomed to 48.

On May 15, 1954, the colony was formally installed as Iota Phi Zeta of Lambda Chi Alpha by the Theta Tau chapter from Wake Forest College. The ceremony took place in the Mason-

ic Temple in High Point. Five undergraduates, two faculty members, alumni, and one pledge were initiated as the membership rested at 66. In 1959, Iota Phi Zeta initiated Iota Upsilon (East Carolina). Iota Phi Zeta now has 492 members.

Duff: Where's the party! 213 again!

Eggy-O: Give me that bottle, I'll make you drink!

Chipper: Scott, Is she in there again?

Ollie: I'm finally free but now I'm 0 for 6.

Clint: C'mon kiss me, I got the dip!

Cotton: Lets go to Greensboro and get girls.

Robert: C'mon guys, I don't drink anymore, I just don't drink any less!!

Opie: Don't worry Rick, I always shower in my clothes!

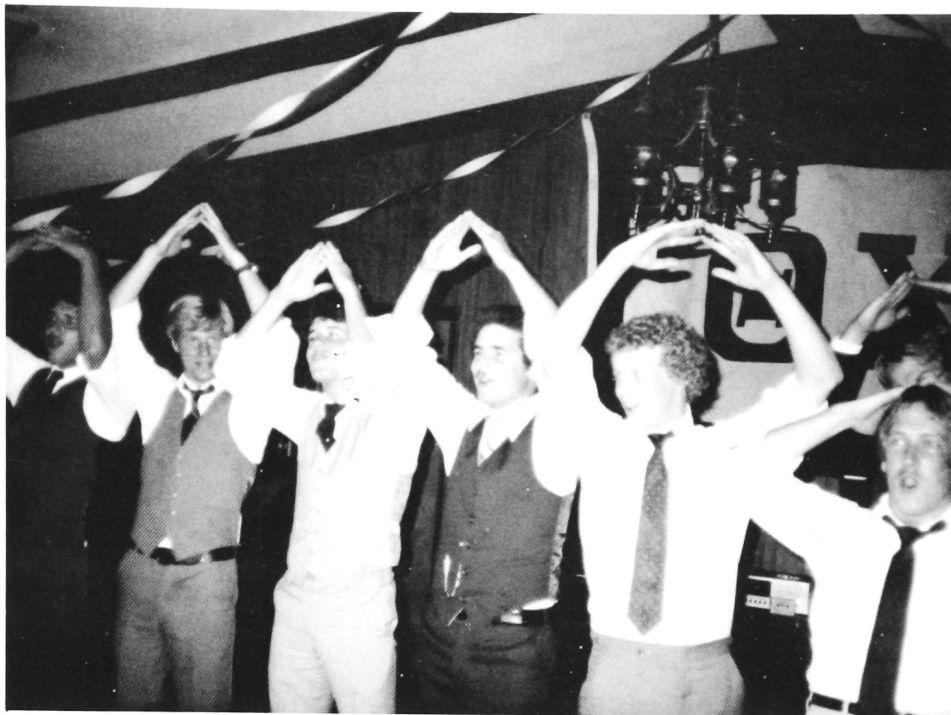

Scrat: Wow! After that visit I should've joined a sorority instead of a fraternity!

Mike R: Next time I'm not going to let my date get away!

George: O.K. Diane, you can look now!

Dean: What me, crunch somebody?

Filo: Scrat, if you don't like my car you can walk back from ACC!

Alpha Delta Theta began in 1954, as a continuation of the religion majors, to promote effective church fellowship, worship and service. From this, our purpose now stands to include these and community service. During our early years, ADT met regularly in the former basement lounge of Woman's Dorm. Meetings are now held

in our own meeting room in the basement of Harrison Hall.

ADT sisters are more than just "Sisters in the Service of God", as our motto states. The sisters have adopted grandparents, sing at rest homes in the area, and help out on the campus and in the community.

Some of the service projects

we have done have been donations to the Christian Children's Fund and Unicef, volunteer work for Children's Day, helping at various receptions, the student directory, registration for Parent's Weekend and collecting food for the needy.

Phi Mu Fraternity was founded in 1852 in Macon, Georgia. Here at High Point, Gamma Zeta Chapter was established in 1952. Phi Mu is based on the ideals of

Love, Honor, and Truth. Our National philanthropy is Project H.O.P.E. H.O.P.E. stands for Health Opportunities for People Everywhere. We raise money for

them to help train and educate people in the health field. Although we stress individuality, we enjoy being individuals ... **TOGETHER!!!!**

Les Soeurs Fideles

It's hard to believe that another year is almost over. What a terrific year it's been. As we look back, some moments are well worth remembering ...

For you, Lady Di & Elvira, a little ditty about Sharon and Diane, two young Phi MU's, looking for a man.

Jill ... been Q or H lately?

Tana, been to the Zoo lately? (Phi Mu's best date).

Anna ... You baby! To know her is to love her.

Sweet Melissa wants to hear John Cougar!

Where's Rockin' Robin and her Magnum?

Karen ... Turn Down the Music!!!

Susie Q ... But, I don't wanna fly on an airplane.

Leslie ... These grades, my father is gonna kill me!!

Bonnie ... Is that meeting at 6:00 or 6:15?

Tee ... What would we do without you — and Gary?

Pat ... See R & M, my foot really did hurt.

Karla ... 7 plus 1, makes life fun?

Mel, where have you been all weekend?

Erika wants to make a roadtrip to Austria.

Julie ... Sorry, I don't have time for such trivia in my life.

Beth ... We miss you!!

Jennifer ... Millis and Canadians — Do they go together?

Grace ... "But we are only going as friends"

Dana doesn't want to play school anymore;

LATER ... MUCH!!!

Nancy ... has anyone seen the Sat. morning paper; Tacky, Tacky, Tacky!!!

Lolita ... Urs. can I have some of your candy?

Janet ... Seen the Goober lately?

Anna Naryse ... How did you like the snow?

Lisa ... Leslie, are you sure your mom will like me?

Terry was a Phi Mu from the moment we met her!!

Claire ... Our Phi Mu photographer.

Ursula wants some more candy ... There it is!!

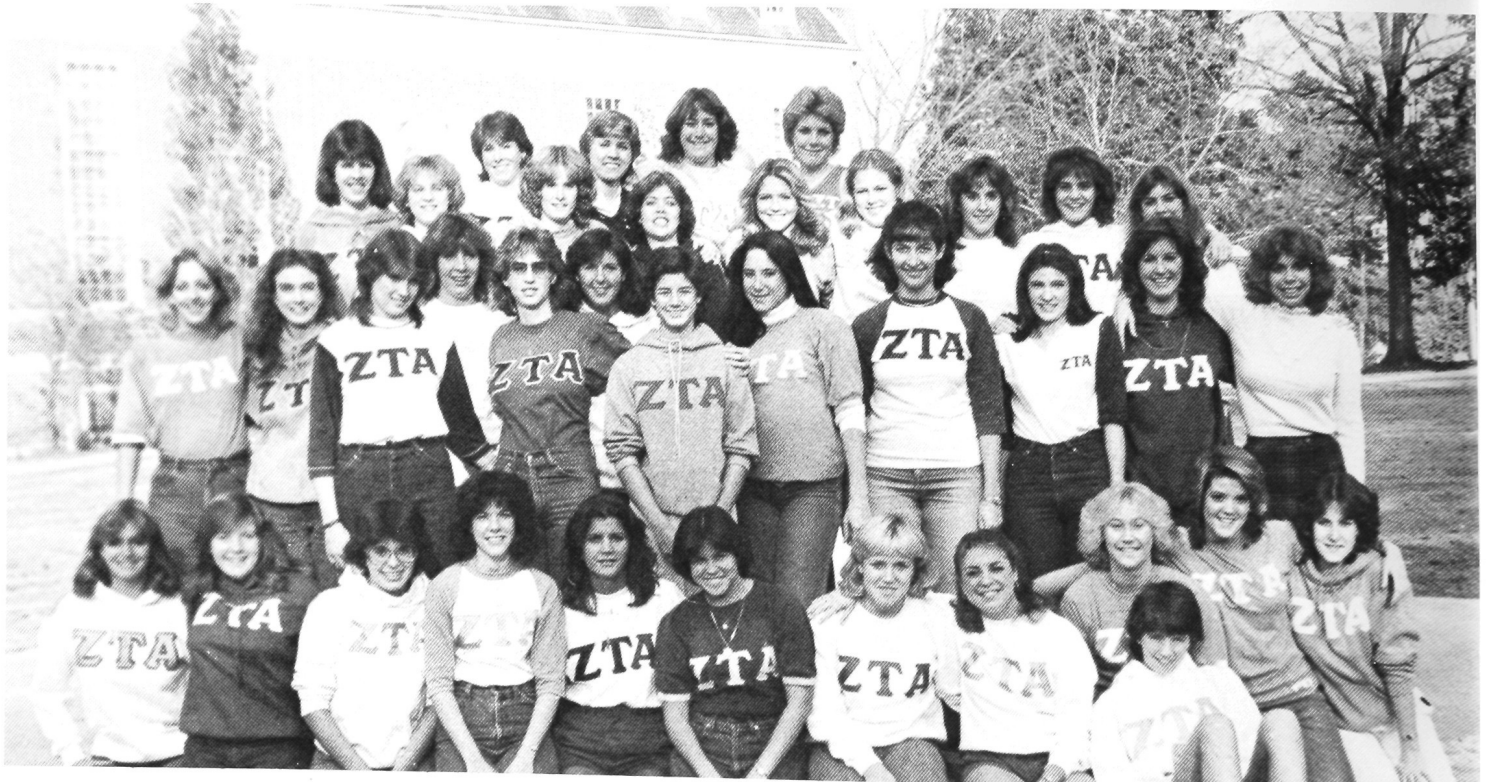

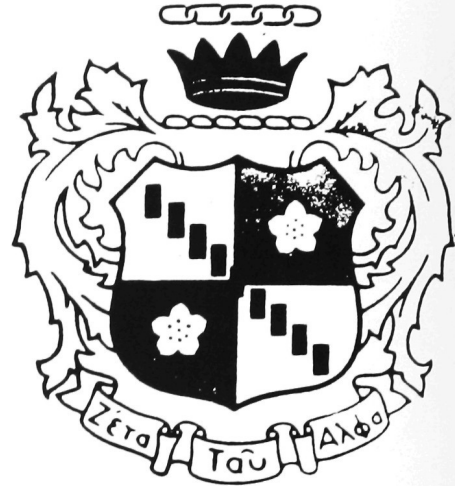

Ann wants to order more shirts.

To our "honorary Phi Mu" Lou ... Thanks for everything!

Chicks, it's been a terrific year in Phi Mu. The best way to sum up our feelings for each other can't be said any better than our own songwriter says ... "And when you say out loud, "I Love You", it turns my heart around. You've taken my heart and I'm depending on you ... Depending on you ... Phi Mu.

Alpha Phi Omega National Service Fraternity was chartered on the High Point Campus in 1958. Throughout the years, Brothers have been committed to service: to the college, to fraternity members, to the nation, and to the community. Service is not the only aspect of APO. Friendship and leadership are also very real principles of the fraternity.

In this, our 25th anniversary year, the fraternity has continued the pattern established before our brothers before us with over 500 cumulative service hours earned. It is our hope that this will continue to grow during the next 25 years.

"There are few, if any, jobs in which ability alone is sufficient. Needed also are loyalty, sincerity, enthusiasm and cooperation." Planning and producing a successful yearbook is one job where ability alone is not sufficient. Each staff member had the ability along with loyalty, sincerity, enthusiasm and cooperation to achieve our goal. We hope this annual is an adequate recollection of memories for 1982-83 at HPC.

I would like to express my deep appreciation to the entire staff for their continuous moral support. Without their loyalty and strength, my job would have been an unbearable task. I commend you all for a job well done! Special thanks to Dr. Deleew, who without his direction, the annual would not have been a success. Also, thanks to the SGA for contributing \$750 in order to purchase 20 additional pages.
